Main Hall

Our impressive Main Hall with bespoke draped ceiling and colour themed mood lighting can comfortably accommodate up to 180 guests for a full meal and evening reception. With superb technical facilities we can work to your specification to create that special atmosphere for your day.

Carlile Suite

Our dedicated marriage ceremony suite is a bright and modern space that contains a private entrance and private bride's room. The Carlile Suite can cater for up to 70 guests for a ceremony but ceremonies can be held in any of our larger spaces if guest numbers are higher.

Private Bar

A private bar is available adjacent to the main hall and located across the 'Street' promenade, which is flooded with light courtesy of a glass ceiling. This is the perfect space for a drinks reception or for guests to mingle in between the ceremony, dinner and evening receptions.

Dining

We work closely with a selection of passionate and experienced caterers who offer a range of menu and food options. From a gourmet buffet spread to a traditional three course wedding breakfast, our caterers have something to suit a variety of individual tastes and budgets.
