### PRIVATE BAR

A private bar is available adjacent to the main hall and located across the 'Street' promenade, which is flooded with light courtesy of a glass ceiling. This is the perfect space for a drinks reception or for guests to mingle in between the ceremony, dinner and evening receptions.

*Creating memories  
to have and to hold...*

At Johnstone Town Hall, all of our packages come with the services of a wedding co-ordinator to oversee the various planning stages of your event through to ensuring the smooth running of the day itself.

In addition to traditional wedding packages with formal dinner menus, we also offer less formal evening reception packages which include fork or finger buffets. We are happy to tailor a bespoke menu or package to suit your specific budget or event requirements. Please let us know if you would like to discuss alternative options.
